■ COMMUNITY KUDOS

- **Rosita's Taqueria & Meat Market** officially opened a “bigger” door at 819 E. Main St. last Saturday to provide Grovers with high quality authentic Mexican food and meats. They are open Monday-Saturday from 9am-8pm and Sundays from 9am-7pm. Drivers have noticed the successful food cart on the southwest corner of Hwy. 99 and Main Street and now Rosita's has added a meat market in the former Hot Spot Café location. Social media is buzzing about it and one person wrote: “Let's show up for them not just today, but every day. Small businesses are the heart of a strong community, and Rosita's is already shaping up to be another local gem. Stop by, grab a bit, and help welcome them to the neighborhood!”
- **Tim Schweitzer** for being selected by “Groovers” on the Groovin' in the Grove Facebook page as its February Local Legend. Tim describes his business as “a family-owned, independent, 1800s-atmosphere brick-and-mortar old-style mercantile, workwear, and western-wear outfitter.” For generations, the Schweitzer family has outfitted loggers and construction workers and supported countless nonprofit causes in town — a true pillar of Cottage Grove. Congratulations, Tim!
- **Cottage Grove Mat Club Wrestlers** traveled to Medford last Saturday to compete in RMN Wrestling's “Most Wanted” tournament at Rogue X — a highly competitive regional youth folkstyle event drawing athletes from across the West, with divisions ranging from 6U (6-and-under) through 15U (15-and-under). They represented CG well with strong effort all around. Congratulations to our placers: **David Craig** – 1st Place, 8U & 3rd Place, 9U | **Lexi Houtz** – 2nd Place, 8U/10U | **Owen Houtz** – 2nd Place, 11U & 3rd Place, 12U | **Cael Uram** – 6th Place, 12U | **Jayden Stanley** – 5th Place, 10U & 6th Place, 11U | **Raegan Dunnavin** – 4th Place, 10U. Great job team! Best wishes for more wins at Reno and Freestyle Season. The Matt Club welcomes community donations to fund our kids' trips to elite competitions like these. - **FEB 28: Author Event with Robert Leo Heilman, Saturday, 11am-1pm, CG Public Library, 700 E. Gibbs Ave.**
"While Librarians Wept, A Library System Dies 1997-2017" is an archive of writings by an award-winning author of his efforts to preserve the Douglas County Library System, an eleven-library county government-supported agency during twenty years of funding cuts. Beginning with the elimination of the rural county's bookmobile in 1997, the county government responded to its property tax loss crises with staffing cuts and reduced open door hours until eventually closing the system down entirely in 2017 after sixty-one years of public service. Two property tax measures in 2011 and 2016 that were aimed at providing independent funding for the Southern Oregon rural county's libraries failed to pass despite the efforts of dedicated library supporters. Heilman wants to provide encouragement and hope, as well as models and strategies, to library supporters in this time of national crisis for public libraries.
